ANGEL GLADIES MARY C

Software Developer | B.E. Computer Science (Honours)

Tamil Nadu, India | +91 8903668830 | angelc23112004@gmail.com | linkedin.com/in/angel-gladies-mary | github.com/angelc-23

PROFESSIONAL SUMMARY

Computer Science Engineering graduate with B.E. Honours and a CGPA of 8.94/10, with hands-on experience in Java, Spring Boot, MySQL and Python. Completed full stack development and AI/ML internships, built CRUD web applications and an LLM-powered educational chatbot using Ollama. Strong foundation in OOP, DBMS, data structures and SQL. Seeking entry-level opportunities in Software Development, Java Development or AI-enabled application development.

TECHNICAL SKILLS

Programming: Java, Python, C, SQL

Web: HTML, CSS

Frameworks & Database: Spring Boot, MySQL

AI / ML: Machine Learning Fundamentals, Large Language Models (LLM), Ollama

Tools: Git, GitHub, IntelliJ IDEA, NetBeans, Jupyter Notebook, Zoho Low-Code Development

Core: Object-Oriented Programming (OOP), DBMS, Data Structures, CRUD Operations

EXPERIENCE

Full Stack Development Intern | T4TEQ Software Solutions | *Jun 2025 – Jul 2025*

- Developed a Book List Management System web application using Java, Spring Boot and MySQL.
- Implemented CRUD operations and database integration for creating, viewing, updating and deleting book records.

Young Creators Program | Zoho | *Apr 2024*

- Developed an Event Management Application using a low-code development platform.

Machine Learning & AI Intern | Marcello Tech | *Sep 2023*

- Practiced machine learning algorithms and Python fundamentals through hands-on training.

PROJECTS

AI Chatbot for 12th Grade Students | Python, Ollama

- Developed an AI chatbot to support 12th State Board students with academic queries.
- Integrated Ollama to run a local large language model and generate responses for student queries.

CodeQuest – Self-Learning Platform for Engineers | Java, MySQL, Python, HTML, CSS, C

- Developed a learning platform focused on engineering skill development and self-paced learning.
- Designed features for organizing learning resources and supporting technical skill development.

EDUCATION

CARE College of Engineering | B.E. Computer Science (Honours) | Nov 2022 – May 2026

CGPA: 8.94/10

St. James Matriculation Higher Secondary School | Jun 2015 – Apr 2022

Higher Secondary (Class XII): 504/600 (84%) | Secondary School (Class X): 349/500 (69.8%)

CERTIFICATION

- Certified Intelligent Data Center Operations & Maintenance (CIDCOM) Programme – IITM Pravartak Technologies Foundation | Score: 97.4

ACHIEVEMENTS & ACTIVITIES

- Academic Topper – 2025–2026; Merit Scholarship Recipient
- Second Prize – SPARK Expo Project Competition
- Participant – Smart India Hackathon and EDC Hackathon
- Presented paper on "Scalable and Adaptive Multi-Camera Systems"
- Presented paper on "AI Chatbot for 12th State Board Students using Ollama"

LANGUAGES

English, Tamil
